

OPTICAL CORPORATION

CORPORATE PROFILE

### *Description*

**Tower Optical Corporation** is a premier manufacturer of high quality precision optics. Its stock and build to print custom products are used in leading edge photonics technology, electro-optics, lasers, telecommunications, medical instruments, optical imaging and optical computing. Products include, but are not limited to, crystal quartz waveplates and achromatic waveplates (retarders), lenses, wide range prisms, beamsplitters, windows, mirrors, and assemblies.

Founded in 1978, **Tower** has operated under its present ownership since 1997. Its customers represent a broad variety of companies and industries including aerospace, government labs, industrial, medical, university researchers and key U.S. Department of Defense contractors.

**Tower** is registered with the U.S. State Department for ITAR export licenses.

**Tower** became certified with ISO 9001 in March of 2007. **Tower Optical** is a certified Service Disabled Veterans Owned Small Business — SDVOSB.  
US Government Cage Code — 1N2U3

**Tower** prides itself on its short lead times, quality products and competitive pricing.

### *Vision*

To be the component supplier of choice for the most demanding and innovative organizations who are focused on improving man's quality of life through the use of light based technologies.

### *Mission*

To provide cost effective solutions and deliver to our customers quality optical products in a timely manner.

### *Management*

**Mel D. Kantor** — President and Chief Executive Officer

**Perry F. Sofferman** — General Counsel

**Yoany Rodriguez, Ph.D** — Vice President of Engineering and Sales

**Don Avritt** — Director of Manufacturing

**Robert Blose** — Quality Assurance Supervisor

### *Trade Affiliations*

Optical Society of America — OSA

The International Society for Optics and Photonics — SPIE

American Precision Optics Manufacturers Association — APOMA

University of Central Florida College of Optics and Photonics — CREOL

South Florida Manufacturers Association -- SFMA
